

Donors as of December 2011

Donors to the Community Foundation include individuals, businesses, other foundations and charitable funds, and even other nonprofit organizations. They give in many ways and to many causes. They trust us to use their gifts wisely to make Santa Cruz County a better place to live.

Donors to the Funds

Funds are the building blocks of the Community Foundation. Each is a "giving account" designed to support its founder's charitable interests, now or in perpetuity. These donors added to one or more funds in 2011.
