

2017 Grants

\$5,801,496 awarded to 512 organizations

Competitive grants are made from the earnings of multiple funds at the Community Foundation through a process managed by staff, with award recommendations made by a volunteer board advisory committee and approved by the board of directors.

Agency Funds are created by either a nonprofit or donor on behalf of a particular nonprofit, with the annual investment income paid to the nonprofit as a grant.

Donor Advised grants to nonprofits are recommended by individual, family or business fund holders and ratified by our board of directors.
